

FESTIVAL PROGRAMME

“And above all watch with glittering eyes the whole world around you because the greatest secrets are always hidden in the most unlikely places. Those who don't believe in magic will never find it.”
Roald Dahl

Thank you for coming to the first year of the Spirit of Folk festival and helping us raise much needed funds for the Oaktree Charitable Trust.

Spirit of Folk is a family friendly festival and children are welcome to join in the festivities. Children must be supervised at all times by their parents or guardians – please be aware there is a lake on the grounds and exercise caution.

Dunderry Park is a beautiful 25 acre woodland and many people use this space to retreat from the stresses of modern day living. Nature is very much a part of this and we hope that you will respect this by disposing of all your rubbish in the bins provided.

Gates to campsite open at 3pm on Friday and close 7pm Sunday (no camping Sunday night).
